WELCOME TO THE SWALLOWS WINE CLUB AT VIOLET-GREEN!

REGISTRATION

You may begin your wine club membership at any time. Please note that Swallows Wine Club requires a minimum one year membership (2 shipments.) After this time, you may change or terminate club membership at any time. Wine shipments may be customized with 15 days' notice before the next shipment is sent. You must be 21 years of age or older to participate.

SHIPPING AND PAYMENT

Wine shipments will be sent to you twice each year in Spring and Autumn. Great care will be taken to ship weather-permitting. You will receive an email informing you of your UPS tracking number and your scheduled date of delivery when the package is shipped. Your credit card will be charged only when your wine is shipped. With notice, you may arrange directly with the winery to have your shipment sent on a specific date.

Membership level price ranges are an estimate; actual cost depends on the wines selected for shipment but over the course of membership the cost will average out to the estimated price range. Estimated price range does not include California sales tax or shipping. Members will be notified of any increase in price ranges and are guaranteed no price range increase for the first year of membership.

GIFT MEMBERSHIPS

You may give a Swallows Wine Club membership as a gift to anyone 21 years or older. We will provide a welcome note, a personalized gift card from you and a description of membership benefits.

MEMBERSHIP BENEFITS

Members will receive discounts according to their level of membership for each shipment and for all wine orders at any time. Shipments may be customized per member preference with 15 days' notice before the automatic shipment is sent.
